*PRIZE WINNERS FROM  
ALL COUNTRIES*

F. C. HORNBERGER

ROUTE 2, CLARK ST.

HAMBURG, N. Y.

At prices herein listed, all bulbs are prepaid anywhere in the U. S. and Canada and all countries in the Postal Union. The packages (Pkg.) bulblets contain a quantity proportionate to the 100 or 1000 price, while not counted in the cheaper kinds, you will find the count most generous. Remember we will take back any item that fails to please you and return your money. For our rating we refer to any Bank or Business house of Hamburg, N. Y., to Duns or Bradstreets, or the Florists Credit Association.

**SIZES:** We list sizes, Machine graded, all grades Standard. Bulblets washed clean and free from chaff and dirt and sold by dry measure. Our stock has been grown on new land, disinfected as a precaution, and rogued with care. We believe our stock the best that money can purchase. Where we abbreviate as Prim.-Grand. this indicates the large-flowered Primilinus Grandiflorus.

**STATE INSPECTION:** License No. 2654. All stock inspected under the Farms and Market Laws of N. Y. State. All Canadian Shipments get special inspection before shipment, also invoices in triplicate form.

**DELIVERY:** Quotations are for spring delivery. We accept orders for fall delivery, but as we dig stock late it is not as well cured as we like to have it before shipment is made. March and April are best months for safe shipment. If we are to ship in cold weather, we must send via Express as Parcel Post does not insure against freezing. If sold out of size ordered we will send next size smaller unless you request us not to do so.

**DISCOUNTS:** See our Present for Cash. This will be a very generous discount on all CASH orders over \$5.00. Remember we will double this offer on all cash orders received before Jan. 1, 1930. The value of the Present for Cash will be from 5% up to 20% of your order depending on value of same. The 20% will be for orders over \$100.00 and will consist mainly of our originations.

**AFLAME** (Hornberger) 1925. Prim-Grand. National prize-winner, the colossus of its type, strong plant, heavy dark green foliage, strong straight spike, six to eight large well placed flowers open at once, often six inches or more. Wonderful color, begonia rose shading to a bright orange flame near edges of petals, back of petals even brighter. Has won at all the leading shows this season. This variety received fifth place in a vote of the Conn. Glad. society symposium. We will meet all other wholesale prices on this variety.

**BEN HUR** (Hornberger) 1929. Fine strong plant, wonderful self color, a clear royal purple, very large flowers, six or more open, outstanding color.

**BLUE TORCH** (Hornberger) 1925. An improved Ewbank, quite early, tall straight spike, fine commercial, in good demand. Color class pale violet.

**BROWN WINGS** (Hornberger) 1929. Large Prim-grand, combination shades of brown. A very unusual and outstanding color, very rare among glads.

**BUFFALO** (Hornberger) 1930. New deep red self, very strong tall plant, extra dark green foliage, flowers an intense blood red, very large with six to eight open at one time.

**HAMBURG PINK** (Hornberger). A very strong large new pink, a real florist's color, a shade deeper than Rita Beck, six to eight very large flowers open at one time, splendid keeper and shipper, rapid propagator, winner at Los Angeles show 1929, in its color class. This variety is quite early.

**IVANHOE** (Hornberger) 1929. A very strong growing variety. A deep bright salmon pink, self color, florets extra large, remarkable substance, six or more open, extra fine.

**MISS NEW YORK** (Hornberger) 1929. Very outstanding new pink, we would call it a peach pink self, large flowers six or more open, wonderful substance, a real beauty.

**MRS. CATHERINE EDWARDS** (Hornberger). New tall, early cream white, flowers in 70-75 days under good conditions, it is a massive show flower, eight to ten open. We have had flowers  $5\frac{1}{2}$  to 6 inches.

**MRS. F. C. HORNBERGER** (Hornberger) 1925. Our first introduction, it has made a national reputation, has been a prize winner since first introduced, has won as follows: 1926—at Hartford, Conn., won first prize for best single spike in show, over 10,000 competing spikes; 1927—WON CHAMPIONSHIP VASE, at Boston Mass., show for best three spikes any variety in show, also first in pure white; 1928—won from coast to coast including first prize for any white variety, Cal. Glad. Show; 1929—it has again repeated its nation-wide record for winning first place in its color class, has won first in pure white at Boston, Mass. show, Hartford, Conn. show, Springfield, Ill., and many other smaller shows. We consider this the greatest commercial white ever introduced. A strong growing white, flowers in 100 days. One of the fastest propagators and the best keeper and shipper we have. Remember in buying wholesale we will meet all other prices on this variety.

**NEW GOLD** (Hornberger) 1930. A tall strong new yellow, a clear light gold, six or more open, good substance and lasting quality, a worthy yellow.

**RADIANT QUEEN** (Hornberger) Prim-Grand. Extra early, large flowered, a new glorified "Orange Queen," orange shading into saffron.

**PINK SHOW** (Hornberger) New 1930. Very tall strong plant, 10 to 14 medium sized flowers open at a time, a wonderful shade of light pink, coloring similar to "Mrs. O. W. Halliday."

**SALMON GLOW** (Hornberger) Prim-Grand. Extra early, one of the first to flower, spikes strong and straight, five to seven large florets open, often six inches or more in size, color a rich, glowing orange salmon, with daffodil yellow throat, wonderful color under artificial light, a rapid propagator.

**WHITE STAR** (Hornberger). A tall strong pure white, with ten or more open flowers at a time and all buds showing color, extra heavy substance.

**VINTAGE WINE** (Hornberger) New 1930. A deep wine colored self, a very unusual color, very rare.

**SPECIAL CASH PRESENT.** To all orders that amount to \$5.00 or more and are paid in full, cash with order, we will add A PRESENT FOR CASH. This will consist of a very good percent value on your order, and will be our selection, of our own originations. This will be in addition to the generous extras we send with all orders, and if you send us your cash order before Jan. 1, 1930 we will just double this offer and add (2) TWO PRESENTS FOR CASH with each order of \$5.00 or more.

**TERMS:** We are making a change in our selling plans this season, and all prices quoted, are prepaid, except special quotations, which are quoted as requested. We will hold orders for spring delivery on a deposit of 20% of your order, if not paid in full at time for delivery, we will send C. O. D. for balance due on same. We have discontinued all credit business.

**CASH IN FULL:** Before goods are shipped. This has nothing to do with your credit standing or rating, it is a plan to give you better service, to give you the highest quality, healthy true to name stock at the lowest cash prices and in addition to prepay same wherever the Parcel Post goes. We have found that the bulk of our business is cash, and the credit side adds heavily to our costs, so we are eliminating this feature.

**SPECIAL QUOTATIONS:** In line with cutting costs and simplifying our office system, we have added a "special form" to fill in with such varieties as we feel sure at this date we will have in quantity to quote. Be sure to use this form for all quotations. Should there be other items not on this list that you wish quoted, please send us all these items on a separate list. Send two copies so we may retain one. We will not quote each size separately, unless you have only one size on your list, otherwise all sizes of any one variety, including quantity of bulblets wanted, will be quoted as a lot price. This will be known as QUOTATION (A). We will also quote you an entire lot price for your entire list of varieties and sizes in a lump price—this will be known as QUOTATION (B). When we quote the latter we will not itemize as in quotation (A), but only enter one lot price. We can not quote both ways on one order. As a rule Quotation (B) will have the more attractive prices. No quotations for less than \$5.00.

5 Bulbs at the 10 rate; 25 at the 100 rate; 250 Bulbs or Bulblets at the 1000 rate price. Pints and Half Pints at Quart rates.

**SEND US NAMES:** Premiums—for names of People who grow 500 or more glads, we will allow you a generous value, our selection, of Hornberger Originations.
